SBE Grenache McLaren Vale 2020

At Gemtree we farm our estate vineyards organically and biodynamically. This philosophy rewards us with fruit full of flavour and purity; these are the gems from which we craft our fine wines.

Grenache

These handmade, small batch wines from Gemtree seek to disrupt. Experimental batches made from small parcels of organic and biodynamic fruit. These wines are an expression of the joy and curiosity of winemaking, free from convention, free from restraints.

We only made 2286 bottles of 2020 SBE Grenache (concrete egg ferment) with fruit sourced from organically grown Grenache vines planted in 1946.

Tasting Note

This rare Grenache has a lovely hint of citrus peel. Deep, rich and textural, 2020 Egg Grenache presents the complete package. Where Oak Grenache is upfront and bold Egg Grenache shows restraint yet depth, with a textural weight that defines its identity.

Varietal—100% Grenache
Alcohol/Volume—13.76%
pH—3.33
Titratable Acid—5.94g/L
Residual Sugar—3.0g/L
Concrete Egg — 6 months

Try it slightly chilled with robust flavoured seafood dishes such as a traditional Spanish paella or a French inspired seared salmon fillet with a simple beurre blanc sauce.

Cellar now — 2023.
